Biographical Note	In 1858 , the Young Men's Literary and Library Association opened a reading room over a bank on Main Street. This reading room was the forerunner of the Galesburg Public Library, established as a Free Public Library and Reading Room in 1874. The library board constructed the first free public library building on land purchased by the board. The Carnegie library was dedicated on June 3, 1902 and was destroyed by fire on May 9, 1958. It was replaced with a new library dedicated on November 3, 1961. A children's room addition in 1967, installation of an elevator in 1984, and an expansion project completed in 1996 comprise the library as we know it today.
Scope & Content	The GPL 1990s Construction collection includes correspondence, handbooks, manuals, and plans from the years 1991-1995.
