

Bed Bug Prevention and Response Policy

Galesburg Public Library takes steps to reduce health risks to staff and patrons. Materials showing signs of bed bug contamination will be treated or discarded at the discretion of the library. Patrons returning materials contaminated by bed bugs will be notified by staff, and the patrons' accounts will be temporarily suspended, along with the accounts of patrons sharing the affected address. Suspension may be lifted after the patrons present proof that their residence has been successfully treated for and eradicated of bed bugs by a licensed pest control company.
