GALESBURG, ILLINOIS:
MAIL PUBLISHING CO., PUBLISHERS AND BOOKBINDERS,
1892.

Introductory.

General Index.

GALESBURG, ILL., APRIL, 1892.

The Publishers take pleasure in presenting Vol. V. of COLVILLE'S BIENNIAL DIRECTORY OF THE CITY OF GALESBURG, ILL., to its patrons. In the preparation of this volume every effort has been made to maintain the reputation of previous issues for accuracy and completeness, and to make it in all respects a credit to our City, its enterprising Business Men and the Publishers.

The NAME DIRECTORY contains 7,700 individual names, being a net increase over the list of August 1889 of 1,484. According to the government census of 1890 the population of the City was 2.40 times the number of names in the name list of the Directory of that year. Computed on the same basis, which is a very moderate one, our present population is 18,180.

The HOUSE DIRECTORY, which was a valuable feature first introduced in the previous Directory, also shows the remarkable growth of our City by an increase of 733 in the number of dwellings listed, the present total being 3,334 houses.

The attention of patrons is called to the new Map of the City, a valuable feature of the Directory, which will be found to be the most complete and accurate Map of Galesburg ever produced.

As the DIRECTORY is used as a Reference Book in the leading Cities of the country, and is consulted by thousands desiring information concerning our City and its Business Interests, the Publishers congratulate the citizens of Galesburg that they are represented by a work in every way worthy of the City.

To the enterprising Business Men of Galesburg, with grateful acknowledgment of their continued confidence and generous support, this volume is respectfully dedicated.

A STREET DIRECTORY will be found immediately following the NAME DIRECTORY.

A HOUSE DIRECTORY by Streets, giving Houses in numerical order, with name of Occupant, follows the STREET DIRECTORY.

The BUSINESS DIRECTORY will be found immediately following the HOUSE DIRECTORY. For full INDEX see pages 7 and 8.

NOTE.—For the purpose of numbering, the City is divided North and South by Main Street, and East and West by Broad Street. All Streets running North and South take the prefix NORTH on all Street Signs North of Main Street, but have no prefix South of Main Street. In the same manner, all Streets intersecting Broad Street take the prefix WEST on all Street Signs West of Broad, but have no prefix East of that Street. In this Directory, however, the prefixes EAST, WEST, NORTH and SOUTH have been used to prevent possible misapprehension. The numbering of the Streets begins at the base line on Broad or Main Street, and each Block is assigned 100 Numbers, the second Block running from 100 to 200, the third to 300, and so on. By this plan, the number of a House being given, it is easy to calculate its distance from the dividing line in either direction.

PALACE OF TRADE.

148-150-152-154 Main St., Galesburg, Illinois.

We are emphatically the leaders of popular prices. We aim to keep what the people want and sell at the very lowest prices. Our goods are placed on sale and marked in plain figures at so slight an advance on cost as only a house can afford that sells so large a quantity as we do.

We invite any one to take promiscuously a dozen items from each of our twenty departments and compare them with a like number of articles from any other house, and the result will confirm our claim that we sell goods at lower prices than any other house, and that we do not sacrifice quality to make the price.

Remember that all goods bought in our house must be as represented or the money will be promptly and cheerfully refunded.

KNOX COLLEGE.

GALESBURG, ILLINOIS.

THE CLASSICAL COURSE.

Candidates for admission to the Freshman Class in the Classical Course are examined in the following books and subjects: Arithmetic; English Grammar and Composition; Reed and Kellogg's Higher Lessons in English or its equivalent; Geography, Ancient and Modern; History of the United States; Algebra; Harkness's Latin Grammar; Comstock's First Latin Book; Caesar's Commentaries, three books; Cicero, six orations; Virgil, four books of the *Æneid*; Daniell's Latin Prose Composition; History of Rome; History of Greece; Goodwin's Greek Grammar; Leighton's Greek Lessons; Xenophon's *Anabasis*, four books; and Oration of Lysias; Greek Prose Composition.

THE SCIENTIFIC COURSE.

Candidates for admission are examined in the following books and subjects: Arithmetic; Algebra; Geography, Civil and Physical; History of the United States; English Grammar and Composition; Harkness's Latin Grammar and Comstock's First Latin Book; Caesar's Commentaries, three books; Cicero, four orations; German Grammar and Reader, or one year's work in French or Latin (Virgil and Cæsar) as an equivalent.

THE SEMINARY COURSE.

Candidates for admission are examined in Civil and Physical Geography, English Grammar and Composition, Reed and Kellogg's Higher Lessons in English, or its equivalent, Arithmetic, Algebra, History of the United States, Harkness's Latin Grammar and Comstock's First Latin Book, and one book of Caesar's Commentaries.

KNOX ACADEMY.

The Academy comprises two departments, English and Classical. The former gives a full course of English studies, fitting the pupil for business, and affords special advantages to students who intend to become teachers. The latter is a Preparatory Department, devoted to the thorough preparation of students for college. The course of study for students intending to enter the Classical Course in the College, extends through three years; that for the Scientific Course extends through two years; that for the Seminary Course extends through one year. In order to enter the Classical Department of the Academy, students must pass an examination in the Elementary English studies.

KNOX MILITARY DEPARTMENT.

This department is in charge of an officer of the Regular Army, detailed for the purpose by the Honorable Secretary of War. There are at present three companies organized into a battalion and a band, and it is proposed in the near future to organize a Battery of Artillery. The course is obligatory on all able-bodied male students of Freshman and Sophomore Classes, unless excused by the faculty for cause. Enrollment is optional with other male students in the College and Preparatory Department, those enrolling themselves, however, will be required to serve through the school year in which they have enrolled.

COLVILLE'S GALESBURG DIRECTORY.

DON'T Lend Your Directory.

AN APPEAL TO OUR SUBSCRIBERS:

We would offer a suggestion to those who, from business necessities or actuated by a public spirit simply, have favored us with an order for our book.

Did you ever lend your umbrella? If so, did you ever get it back? If you got it back, didn't you have to go after it or hunt for it?

Now, if you never loaned your DIRECTORY, we recommend you never to try it, for you will suffer a worse fate than with your parachute.

Borrowers, generally, are chronically such. Their consciences are "scared as with a hot iron." Beyond the shadowy vision of its ultimate reappearance, you will never see it again. The man who borrows a Directory never buys one, never subscribes for it (or for anything else). Ask him to do so, "he doesn't need it," "never has any use for it," "everybody knows him," "he knows more about people in this city than you can tell him." Yet the virgin freshness of its leaves has hardly been sullied by human touch before this individual wants to borrow your Directory. "He will bring it back right away."

THIS IS PROPHETIC

Keep your Directory; it has cost you Three Dollars. You can't buy another; it is out of print, for we publish only the number subscribed for.
