## INTRODUCTORY.

TO THE CITIZENS OF GALESBURG:

I take pleasure in presenting to my patrons the GALESBURG CITY DIRECTORY for 1877-8. The canvass and compilation has been made with great care, and every means that long experience could suggest has been used to make it a thorough and complete work, and I trust that, on examination it will be found so. The work contains 4401 individual names. It is my intention to re-issue the DIRECTORY in 1879.

I remain yours, truly,

JAMES W. BEASLEY,

Publisher.

# Western Health Institution

AND GALESBURG

## HYGIENIC INFIRMARY.

At this Institution invalids in any form of disease, able to be moved, will be received, and have the comforts of home, medical attendance, nursing, and board, for about the same expense as would secure medical advice once a day at their homes.

With the facilities offered, few need be sick. Chronic diseases receive special attention. Dyspepsia, Liver Complaint, Rheumatism, Scrofula, Incipient Consumption, Diseases of Females, &c., are always relieved and nearly always permanently cured by a few weeks or months of treatment.

The glory of the Hygienic system is most readily seen in the management of acute disease. All forms of Fever and all kinds of Inflammation, Diphtheria, Erysipelas, Scarlatina, Pneumonia, &c., under our treatment, nearly always result in entire and perfect recovery.

We have secured the services of MARY ROBIXSON, a lady of experience and ability, who will have the entire charge of administering the treatment in the Ladies' Department. Her experience and her genial, social nature, renders her eminently fitted for her work.

### PRICES.

*Bath at the Institution, \$1. Day Treatment from \$2 to \$3 Per Day.*

Ministers and their families treated at reduced rates. All invalids who come to the institution for treatment shall have, as far as possible, the comforts and conveniences of home, and every effort will be made to promote their speedy recovery to sound health.
