

## Galesburg Public Library Book Club Kits

Book club kits contain 5 to 20 copies of a book and a set of discussion questions. One member of a private book club can check out the kit, distribute books to the club members, collect the books after discussion, and return the kit to the library. This is an easy way for a book club to find enough copies of a book for everyone in the club. The kits check out for six weeks.

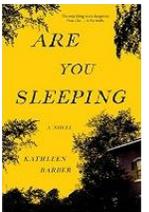

*If you have a book club kit title to suggest, please speak to a Reference librarian.*  
New kits are added twice a year.
